Lutheran
Schools Week
Art Show,
Students Sing
in Church
- **Fri., March 9-**
Tues., March 13
No School

Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

Valentine's Day Party: Thank you for sending in Valentine boxes. We will be having our Valentine's Day party on Tuesday afternoon starting at 1:00pm. We will be exchanging Valentine's and playing games.

3rd-4th Science: Our 3rd-4th grade science has been having a wonderful time lately exploring virtual labs and interactive websites online. We are continuing to study animals and the different kingdoms which living things are classified into. A great resource for science, math, and language arts practice online is <http://www.learninggamesforkids.com/>.

Writing: In writing class, we are just finishing up the publishing stage of our mystery stories. We are in the midst of working on an essay about the importance of agriculture in Wisconsin, which we will be entering into a contest.

Spelling: Spelling will be back to normal next week, after our week off. The new spelling list is attached.

Thank You: Thank you for all of you who sent in items for our food pantry collection! At last count on Wednesday, 3rd-5th grade was approaching our 100 item goal with 71 items! Also, thank you parents for taking time out of your schedules to meet with me for parent teacher conferences this week.

PTL Hot Lunch: Don't forget, next Thursday is PTL hot lunch, with a great brunch menu! The cost is \$1.50 per child.

Blessings on the rest of your week!

In Christ,
Miss Bernau
